

# FARMERS, CONSULTATION & CONTRACTS

## MAKING RENEWABLE ENERGY PROJECTS WORK FOR THE WHOLE COMMUNITY

A free information forum for landholders and neighbours living near large scale renewable energy projects, with lessons from projects around Australia.

**Thursday 23rd November**

**6.15 for 6.30pm start  
Complimentary supper**

**Kentucky Memorial Hall  
Noalimba Ave, Kentucky**

- Understand contracts you may be offered and how financial benefits are shared throughout the broader community
- Hear lessons from the National Wind Farm Commissioner, Andrew Dyer, about how community interests can be secured by wind farm projects
- Learn how you can make your views known through the planning process for wind and solar farms
