

# IS YOUR RURAL LIFESTYLE BLOCK READY?

In response to heightened climate risks, we are running a series of interactive workshops for Rural Lifestyle Landholders so they can:

- Share reactions to recent drought and fires
  - Explore responses to future climate change risks
  - Explore current capabilities and potential barriers to adaptive action
  - Learn how to better navigate the next fire, flood or drought.

Are you giving your rural lifestyle block the best chance to survive the next fire, flood or drought?

Do you have the knowledge & skills

to navigate through it?

A fourth workshop to present findings will be held at Armidale City Bowling Club 5.30 pm Thurs 20 May 2021.
