

Koala Tree Identification Workshop

Thursday 31 March, 9.30am to 12.30pm

Armidale Tree Group 80 Mann Street Armidale

The workshop will cover:

- ✓ basic eucalypt anatomy,
- ✓ bark types,
- ✓ juvenile and adult leaves
- ✓ buds,
- ✓ fruits
- ✓ taking voucher specimens for identification

The workshop will include morning tea and a eucalypt identification resource book for participants to take away.

Numbers are limited, please RSVP to: brooke.robertson@snelandcare.org.au

This initiative has been made possible through the Northern Tablelands Koala Partnership Project, hosted by Southern New England Landcare Ltd, and funded by the NSW Government.
