

Grass Growers' Dinner Party

Are you a Southern New England grazier who needs a break and a night out with friends?

Join us for a social night out to break the monotony of the drought!

Dinner and a Q&A panel with special guests:

- **Dr Judi Earl** - Agricultural Information & Monitoring Services and Holistic Management Educator
- **Bec Smith** - Southern New England Landcare BOARD MEMBER, Guyra grazier, and innovative Agriculture Teacher at Armidale Secondary College
- **Bill Perrottet** - Southern New England Landcare BOARD MEMBER, and Guyra grazier innovating with Natural Sequence Farming and high production pastures.

6 for 6.30 pm Thursday 26th September, Uralla Top Pub

Cost

- 'Managing Holistically Out of the Drought' course participants - FREE. You may also invite an additional drought affected grazier for free. Instructions for booking dinner tickets will be sent after you register for the course.
- Dinner Only guests - \$30 pp. Bookings essential at www.stickytickets.com.au/91427 by 19th September.

This event is being held as part of Southern New England Landcare's 'Managing Holistically Out of the Drought' workshop series. As a result of huge interest, it is open to additional guests. This event has been made possible with a generous \$1000 donation towards drought affected farmers in our region from the Northern Yarra Landcare Network in Victoria. #traptherain
